IITC 2000 Special Event

In cooperation with the
NIST Advanced Technology Program
Electronics and Photonics Technology Office

ATP Funding and Partnerships in Electronics Technologies

Wednesday, June 7, 2000
7:00 - 8:15 AM
Hyatt Regency at San Francisco Airport

We invite your participation and input!

- Learn about the ATP and their 2001 funding opportunities
 - Hear how American companies are successfully becoming ATP awardees
 - See what technologies your colleagues and competitors are developing in partnership with ATP
 - Identify key R&D challenges for tomorrow's electronics technologies
-
